**7:05- Group Lectio**

**7:15 Father Jeff Updates:**

---

Christmas Eve Mass 2014: The Fire Marshal was here right before the 4:30 mass this year. We need to come up with alternative plans to meet the needs of the worshipers.

\*Children's mass could be held at Broadneck High School instead of the Upper Hall.

\*Once the Church is at capacity for the church mass the overflow would be directed to BHS.

\* Or we could hold only one 4:30 mass at BHS.

Father will continue to think and pray about this.

Honors Mass and reception were well done. The recipients were well deserving of the honors.

**7:30- Caper Updates:** Susanne Mardi Gras has already put a flyer in for the February Caper. The Soup Lent Suppers will be in the next one.

**7:40-Liaison Updates**

Five Friday's during Lent- Catholicism Series-Videos followed by break out groups.

Currently there are 11 facilitators. The New Evangelization (it looks at Evangelization from a different light) Promotion clip is on U-Tube

No Cost for the suppers. There will be Free-will offerings.

Father is encouraging all church leaders to attend the series.

Could we send out postcards inviting parishioners to the series? We could also put in U-Tube link for the trailer...

Leadership Summit was in fall last year.

Stephany is considering holding the Summit again in the fall. We should be thinking about the following two questions:

How can our church be more effective reaching our registered parishioners who are not active?

How can we use technology to aid in reaching others?

Winter Shelter went very well this year.

Mark Rossetti- Leader for the In home communion ministry says he has a lot of people on his list but they are not all spending as much time with home bound as they may like. He is looking for more people to do this who would be able to spend more time with the individuals.

MS Prep- trying to get parents more involved- Stephanie is going to email a one page sheet to parents to force some interaction between parents and their children. Still hoping to get something going where the parents can drop kids off and STAY!

**YOUTH-** Lock in recently.

Kids made notes for each other

Confirmants- Bishop interviews are coming up soon.

Ryan is concerned - After confirmation there is not much of an incentive to come back or continue to be active. We could possibly set up an incentive where these older youth could meet and use this time as community service which could be used as "other" activities when filling out college applications.

Idea: Can we get a college chaplain to speak with these young people to discuss what may come next in terms of their faith journey throughout the college years?

Letters went out today to all the corporate sponsors.

**8:05- Pastoral Council Elections:** Kamal

Announcement in the bulletin twice. We would like to have candidates by end of March. We need to get autobiographies from the candidates by mid-April.

We have already gotten 2 possibly candidates. We need to do Testimonials in the next few weeks.

Kamal will send us an update after speaking with Kathy- getting dates on the master calendar. We are looking at May 3<sup>rd</sup> /4<sup>th</sup> Elections.

**8:20-Sister Parish Relationship Update**

May 4, 2014 at 10:00 at Transfiguration-They will be having a big celebration with the Bishop and we should have as many representatives there as possible.

**8:30-5 Year Vision Update**

How do we measure whether this is taking place?

We need to let this be organic.

Remember the examples of the things that are happening as a result.  
Men's ministry- start with the men in our parish and then work our way out to other denominations (similar to Walking With Purpose)

Constantly keep it in the forefront of the leadership. Our job is to keep reminding the leaders of the vision.

Father got positive feedback from the weekend that he preached on it. He will be more cognizant when getting his homily together each week.

We already have a \$25,000 endowment fund for Faith Formation. We will continue to add to this fund until it is at a point where the interest alone will be able to fund PREP and other church related activities.

**8:50 New Business:**

What about the new pew cards? We are NOT getting new ones.

Doris had asked the PC to host Donut Sunday on May 4<sup>th</sup>, but we will not be able to due to our attendance at the Transfiguration Celebration.

Instagram- SABB Youth has an Instagram account. Church could get an Instagram account to use for getting pictures out. At this time there is not someone willing to be responsible for this type of an account and we are not sure if it is something that we want to open.

Twitter- We could get a twitter account which would allow us to send out notices. Post things all the time. At this time there is not someone willing to be responsible for this type of an account and we are not sure if it is something that we want to open.
